

# Learn to Worm Kit

Waikiki Worm Company recommends the Learn-to-Worm Kit, a basic box bin with all the components assembled for you. This bin will house a worm colony capable of processing up to ten pounds of food waste a week.

The Learn-to-Worm Kit includes:

- 18-gallon Sterilite storage tote, pre-drilled for aeration and drainage
- Two bricks for elevation
- Custom-cut bin blanket
- Pre-inoculated bedding
- Digital scale
- Worm food collection box
- Starter colony – 1/4 pound composting worms
- Link to How to Set-Up the Learn-to-Worm Kit video

Cost is \$100 plus tax = \$104.17.
